Dear Subscriber,

Thank you so much for joining Actors' Shakespeare Project (ASP) for our 2017-2018 Season! Whether you are a first-time or long-time subscriber, we are delighted to have you as part of the ASP family. This year, we are excited to welcome Christopher V. Edwards, ASP's new Artistic Director, and look forward to the bright future he brings. Your support as a subscriber not only ensures you the best service, it also helps us continue to provide impactful plays and education programs in your community.

Enclosed you will find the answers to questions you might have about your subscription, as well as information on performance date selection. Circle of Friends cards will be made available at the first production when you pick up your tickets. You should also receive your season brochure in the mail shortly. If you have additional questions, please contact me at subscriber@actorsshakespeareproject.org or 617.776.2200 x225.

Book your dates by August 1st to be guaranteed the best seats! After that point, tickets will be open for sale to the public. However, a number of premium seats will be held for subscribers until the first preview of each production.
